

**CHEMICAL**

**XLPE 240**

**FEATURES & APPLICATIONS:**

- A premium hose w/Special compounded crosslinked polyethylene tube, handles a wide range of chemicals; highly flexible hose.

**TECHNICAL DATA:**

- **Temp Range:** -40° F to +176° F
- **Cover:** Green, EPDM rubber abrasion & weather resistant
- **Tube:** Translucent, smooth cross-linked polyethylene
- **Reinforcement:** 3 ply polyester tire cord & steel helix wire
- **Safety Factor:** 4:1 min
- **Branding:** XLPE Chemical S/D xxx psi (yellow lettering)

**GREEN EPDM / CROSS-LINKED POLYETHYLENE**
